Dear Sir:

In response to the Notice to File Missing Parts mailed on August 31, 2001, in connection with the above-identified application, enclosed are a Declaration and Power of Attorney. Also enclosed is a check in the amount \$771.00 constituting payment of the filing fee in the amount of \$370.00 for a small entity, plus \$65.00 as payment of the surcharge, plus \$336.00 for additional claim fees added by a Preliminary Amendment, also enclosed. Please credit any overpayment or debit any underpayment to Deposit Account No. 19-1970. A copy of the Notice to File Missing Parts is enclosed.

Applicant is hereby correcting inventorship of the present application pursuant to 37 CFR §1.48(f)(1). As reflected in the enclosed Declaration and Power of Attorney, the only inventor in this application is Gabriel G. Saucy. Thus, Applicant is correcting the inventorship, as it was originally filed, to delete Noel Cohen as an inventor.

Applicant is also submitting a Petition for Extension of Time and a Petition Under 37 CFR 1.181 to waive payment of extension fees for response to the Notice to File Missing Parts. As noted in the petition, Applicant never received a copy through the mail of the Notice to File Missing Parts. However, upon initiation of an inquiry by Applicant's attorneys, it was learned that the Notice to File Missing Parts had in fact been issued on August 31, 2001. Applicant's attorneys then requested a facsimile copy of the Notice to File Missing Parts and are responding accordingly.

Applicant is also enclosing an Information Disclosure Statement and Form PTO-1449, with copies of the cited references..

Assignment documents have been submitted to the Assignment Branch under separate cover on this same date.

Please address all future correspondence to the undersigned attorney at the address below.

Respectfully submitted,

SHERIDAN ROSS P.C.
